Larry,
We had an awesome time. Jaime and I really enjoyed all the acrobatics. We didn't mind the tiger wood's joke :) Your humor was really funny. I think you're ready for Hollywood. I think you might be able to give Jay Leno a run for his money.

The show was wonderful. My favorite singer was the male singing the folk songs. Wow. The young lady singing the song in English was also very good.

My favorite part of the show was the acrobatics and the dancers.
