 2010年春节文艺晚会

Dear Friends, Members and Parents of JCA Chinese School,

Happy 2010 - the Year of Tiger!

Jacksonville Chinese Association (JCA), a leading non-profit 501(c)(3) cultural organization among North Florida's Asian American communities, has been actively participating in many multi-cultural activities and community services since 1996. Jacksonville Chinese Association would like to invite you, your family and your friends to participate in the **"2010 North Florida Lunar New Year Gala Celebration"** on Friday, Feb. 26th 2010 7:30pm at the Lazzara Theater of University of North Florida (UNF) in Jacksonville, Florida.

As you may know, of all the traditional Asian and Chinese festivals, the Lunar New Year is perhaps the most elaborate, colorful, and important. This is a time for the Chinese all over the world to congratulate each other and themselves on having passed through another fruitful and successful year, a time to finish out the old, and to welcome in the New Year. 2009 has marked another great year in which China made significant achievements towards her goal for modernization and contribution to the world's peace and progress. That is probably why the Overseas Chinese Association of the People's Republic of China has sent out top-level performing art troupes to salute and congratulate the overseas Chinese's communities the world over.

This year, we are honored to have one of such top-level performing art troupes to join us in Jacksonville, to celebrate the most important traditional Chinese festival, to mingle with our friends and family members and to usher in the New Year with laughter, delightful songs, dances, acrobatics, magic and other forms of the traditional Chinese performing arts. The celebration will start at 7:30PM on 2/26/2010 at the Lazzara Theater of UNF. Your participation in this celebration is sincerely anticipated.

- In the meantime, we would like you and your family members to help us introducing and promoting this wonderful 2010 North Florida Lunar New Year Gala Celebration to your companies, your co-workers, your neighbors, your friends, your kids' schools, your business partners and your related contacts in North Florida and surrounding areas.

- You may forward this e-mail to your friends, appropriate contacts and distribute the flyer in your office and community. If you can provide the contact information of your company to Mr. James Yin, Chairman of JCA Board of Directors, via e-mail at cjy1688@yahoo.com or (904)571-4459, Jacksonville Chinese Association is willing to send the event info and sponsorship package to your company's public relation, HR, multi-cultural, community service / contribution and marketing departments.

- We also very welcome volunteers, including high school and middle school students to distribute and post flyers through many creative ways, such as Facebook, Twitter, MySpace, etc. **JCA will honor community service hours to volunteering high school and middle school students.** If you can help, please e-mail James Yin at cjy1688@yahoo.com

We greatly appreciate your participation, proactively promotion and sponsorship that are very important to the success of this event. We thank you all in advance for your generous support.
