“I thoroughly enjoyed the performances last evening. JCA put out an excellent show. The piano performance (Julliard School of Music) was incredibly delightful and the acrobats gave the evening a flavor of Cirque de Soleil. Impressive! Kudos to JCA for a job well done.

I read the Times-Union article online this morning. Well written; great message. We all can learn from children.

“Dear James, JCA Board Members and Friends,

SinoElite Group is honored to have worked with JCA to make “Fill the World with Love” Charity Show for China Sichuan Earthquake Relief a great success. This has been the best charity fundraising event in Florida that we have ever participated in. Congratulations to JCA and all supporters for the job well done!

The large-scale fundraising/live-stage show that took place last Sunday is truly a testimony of Jacksonville Chinese Association’s outstanding leadership, vibrancy, and active member participation. Your tireless efforts in raising funds for the Chinese earthquake relief and preparation of such a high quality production is most impressive. We are also grateful for your support of SinoElite Group’s performing artists.

There are moments in life that people don’t forget. Performing in “Fill the World with Love” Charity Show in Jacksonville is a precious moment that all of our performers will treasure for a lifetime. We landed our helping hands when the people in our home country needed us the most. Together we are proud to have accomplished something memorable.

Again, it’s been a great pleasure working with old friends at JCA and meeting new friends in Jacksonville. Thank you for your trust, your support and friendship. I look forward to working with you in the future.

Best regards,

Jim Yu  
President, SinoElite Group
